

REMARKS

The allowed claims all relate to a method for manufacturing a disposable wearing article. The title of the invention was amended during the prosecution to conform to the method claims pending in the application. However, the Notice of Allowance incorrectly still refers to the original title. Please amend the title of the invention to conform to the amendment that was entered during the prosecution and to conform to the claims to which the invention is directed.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Gerald E. Hespos", is written over the typed name.
